

August 2023

Wow, we are already halfway through August. Hope everyone is having a great summer. How lucky are we to be able to spend our summers in Peacock Point?

By now, most of you have been in the store. Curt has done an amazing job of brightening it up and stocking it with essentials and delicious treats, as well as offering us a quick hot burger or sandwich. He even has some lovely crafts and gifts thanks to Tammy's creativity. If you have not had a chance to stop in, you will not be disappointed.

Our water system is running well. We had our challenges earlier in the season with the demand for water being extremely high due to the extended dry spell, otherwise we have been able to provide clean drinking water without too many interruptions. We have had some leaks, but they have been fixed. Thanks goes out to our water team Marc Vallee, Don Pearson, Bill McCloy, Rick Lewis and Jim Guild who go above and beyond to provide us with clean drinking water. We are always looking for new members for our water team, please consider being a part of the team. Without the water system, and a team to operate it, we would not have the community we have today. Just a reminder to check our Facebook page or website for updates on the water system. The website provides a link to the update. Please try to fill cisterns on weekdays, and be mindful of water usage during drought periods and periods when the lake is brown. Our water system is scheduled to be shut down for the season on October 19<sup>th</sup>, so please mark this on your calendar and fill your cisterns periodically throughout the rest of the season in case the system needs to shut down early due to inclement weather.

Earlier in the season, on two occasions, we had the Bon Fire Boys in the hall. Both nights had a great turnout and a great time. Thanks Bill and Jamie for keeping us entertained and helping to raise money for the community. We are hoping to have them again before the season is over.

Just a reminder that we have Euchre every Friday evening in the hall at 7:30. There is a \$5.00 admission fee and a 50/50 draw. We also have family Bingo every Saturday evening at 7:30.

The park is looking great again this summer thanks to Anderson Lawn Care. We have had a few successful band days in the park this summer, as well as vendors. Unfortunately, we had to cancel a couple of events due to the weather, but there is still more to come.

We were able to purchase a few new picnic tables this year and lids for the garbage cans. Just a reminder that the garbage cans are for park garbage only and not household garbage.

Kids Fun Day was a huge success. This summer had one of the largest bike parades to date. Thanks to all the volunteers that pulled this event together. Kids hand painting day had to be postponed but Toni and her volunteers were able to combine it with the kid's tie dye day in the park. This event was also a huge success. Without the dedicated volunteers none of these events could happen.

Our Annual General Meeting will be held in the park/hall on Saturday September 2<sup>nd</sup> at 10:00 am. We will be discussing our past season and upcoming season, as well as electing our Board of Directors for the coming year. Our board members work extremely hard for the residents of Peacock Point. We are always looking for new members, so please consider volunteering. We hope to see you there. If you require a proxy form for the AGM because you are unable to make it, please email Kristen McCoy, Secretary at [ppcoasecretary@gmail.com](mailto:ppcoasecretary@gmail.com) to make arrangements.

Thank you to our association members for your continued support of the community.

Cindy Lewis  
President, Peacock Point Cottage Owners Association
